#### Content of the report

The Management Board of Tire Company Dębica S.A. (hereinafter: the "Company") hereby announces the preliminary selected results for 2025:

- **Net revenues from the sale of products and goods:** PLN 2,914,847 thousand
- **Net profit:** PLN 124,984 thousand

The results for 2025 are the result of:

- higher prices used in settlements with related parties
- restoration of production capacity after the fire that took place in August 2023, as reported by the Company in current reports No. 28/2024, 2/2025 and financial statements for 2024

In the opinion of the Management Board, the results for the 12 months of 2025 should not be treated as a source of guidance or forecasts with respect to the Company's results in subsequent periods, due to the fact that business circumstances are still unstable.

At the same time, the Company stipulates that the above data are estimates obtained during the preparation of the condensed financial statements for 2025 and are subject to change. The final results will be made public in the form of a periodic report for 2025, the publication of which is scheduled for **April 24, 2026**.
